

# 2023 –2024 PLEDGE FORM

Thank you for your financial support of VIUF. Your contribution will ensure that the fellowship has a solid financial foundation for next year’s programs and continued growth. We understand that circumstances can change. We use this information to establish a budget for the coming year not to establish a contract or legal commitment. We are counting on your pledge, however. If you will not be able to fulfill your pledge, please contact our treasurer, Kirk Barker ([treasurer@viuf.org](mailto:treasurer@viuf.org)), so that we can adjust our budget.
